

# HAL RE Stool High & Medium

**bof<sup>®</sup>**

HAL RE Stools are available in two heights: the counter version HAL RE Stool medium and the barstool version HAL RE Stool High. The seat shells are made of recycled plastic or, in the case of HAL Ply, in plywood with a choice of two oak veneers. The base with integrated footrest has a chrome-plated finish.

The tall stools have a seat height of 76 cm for table heights of approx. 110 cm and are available with seat shells made of recycled plastic or wood with light or dark oak veneer.

The medium stools with a seat height of 66 cm are suitable for counter-type workstations or kitchen counters measuring approx. 90 cm in height.

The plastic shells of HAL RE Stools can be fitted with a fixed seat cushion, while loose Soft Seats cushions in numerous fabrics and colours are available for use on all barstools.
