Torsion on the Go![®]

Nesting Chair

versatile mobility and spontaneous convenience

Furnishing Knowledge[®]

Find Torsion on the Go! anywhere versatile, mobile, collaborative seating is needed – training rooms, meeting rooms, break-out spaces, offices and more.

A patented flex mechanism moves with you for superior comfort.

Seat flips up to nest for easy transport and compact storage.

Large tablet (right- or left-handed) folds away and stores to the side. Tablet arm chairs also nest.

Large diameter casters offer enhanced mobility. Also available with large surface glides.

Torsion on the Go!

Ideal for fast-paced, collaborative spaces, Torsion on the Go! delivers convenient, mobile nesting for ease of movement and storage. It's built to withstand rigorous use and provides outstanding comfort with a thick seat cushion and patented flex motion. Armless, with arms, or with tablet arm.

Torsion on the Go! is comfortable enough to use as a task chair, affordable enough to use as a side chair, and mobile enough to use anywhere.
